### **COFFEE CREW LEADERS:**

- The underlined name at the top of each list is the “crew” leader for that month.
- Please contact each member on your month to remind them they are asked to help with coffee for that month. Let them know they are asked to bring treats to share and help if they are able.
- If you need help finding contact information, please call or email Brenda in the church office.
- Crew leaders are also asked to assist with the following on their coffee Sunday’s:
  - Make coffee and lemonade – Use the large coffee pots.
  - **One** large pot in the summer months and **two** large pots the rest of the year.
  - Place coffee cups on the tables
  - Prep the coffee carafes by filling them with hot water before church
  - Over see that everything goes smoothly.

If coffee, lemonade or small plates are running low, please contact Michelle Einck at 382-6080 or 419-4006 to refill supplies.

Please know that by serving two Sunday’s a year you are helping fund our youth group activities.  
Thank you again!
