GLENWOOD COFFEE CREW INFORMATION

Please note on the attached 2015 coffee crew schedule that the name underlined is the crew leader for that month. The crew leaders are to call or contact the people on their crew and organize the two coffee hours in that month. ALL MEMBERS please check where you are on the calendar as some people have been moved around to other months than they previously had been on. Thanks to all for the amazing coffee, treats, and fellowship that our coffee hours provide!!!

Also, if you don't find your name and we accidently left you off, please let the office or Trish Johansen know. If you see anyone else who you know might like to help, but they aren't on the list please, please invite them to join you on your month.

Please notify Trisha Johansen if we are running low on coffee. 563-387-0841
